### Conversation exchanges Spanish—English

Through its Language Center, the University of Deusto offers Bizkaia:talent highly qualified professionals the opportunity to **participate in conversation exchanges Spanish—English**. At the university, Spanish professors, researchers and other university staff are trying to improve their skills in English. Both groups can help each other to improve their knowledge of other languages and cultures. Conversation exchanges are free of charge and open to Bizkaia:talent researchers with native or near-native command of English.

The aim of the language exchange is to promote independent learning: you and your tandem partner will arrange your own meetings, the length and frequency of your language exchanges.

At the University of Deusto we will:

- **put you in contact with a coordinator** who will help you with any query or problem you may have during the course of the Tandem Programme.
- **find you a tandem partner** who you can meet up with and practise Spanish-English.

If you are interested in Language Exchanges, please contact our coordinator **Nekane García** at [nekane.garcia@deusto.es](mailto:nekane.garcia@deusto.es) (please include “bizkaia:talent” in the e-mail subject).

*If you are not a Spanish beginner and your aim is to improve your command of the Spanish language in an effective way:*

- \* Afternoon courses are offered every semester (4 hours per week).
- \* Organized by levels according to the Common European Framework of Reference for Languages.
- \* Qualified university instructors with years of experience teaching Spanish as a Foreign Language.
